

## Fife Council, Proposed Supported Bus Services in Mid Fife, From August 2020

---

Fife Council currently provides subsidy, either in part or whole, for the following bus services in Mid Fife:

B1,36, M4, 11, 12, 14A, 14, 108, 13, 13A, 32, 32A, 33B, 37, 37A, 41B, 43A, 44A, 45, 49, 66, 66A, 67, 67A, 67B.

In May and June last year the Council carried out consultation on these routes and asked the public for their opinions on the services we currently support in Mid Fife. We used these comments to help influence the routes which were put out to tender in December 2019. The tender bids have now been returned, assessed and awarded (they were within budget) and we are able to retain the majority of the current subsidised network plus some enhancements. Prior to the tender documents being returned, Bay Travel (service 13) and Moffat & Williamson (service M4) advised that they were intending to take these services on a commercial basis, this in turn allowed us to include 4 new additional services that were requested during the tender process. These services are the M3, M6 and service 18, further details are explained in the summary attached.

Although the tenders have been awarded, as is common practice we have another round of post award consultation as there is still the opportunity for some minor tweaking of these services prior to their operation in August 2020.

### B1 – Burntisland Town service

|   |
|---|

| Retain current route and current level of subsidy. No change to operator - Bay Travel. |

### **M3 – New service linking Methil Energy Park, Arlie Medical Centre with Leven Bus Station**

|   |
|---|
| PROPOSAL  |
| New service to Methil Energy Park operating Monday to Friday from 9:00am until 2.30pm. This was added due to the volume of passenger requests and complaints that there isn't a service available at present. This is in keeping with the Plan 4 Fife allowing people to get to and from work and to Medical appointments at Airlie Medical Centre. |
| <b>Subsidised element: Mon – Fri (0900 - 1430) operated by Moffat &amp; Williamson. Full route and timetable to be confirmed.</b>   |

### **M6 - New Service linking Glenrothes Industrial Estates with Glenrothes Bus Station including direct links with Levenmouth**

|   |
|---|
| PROPOSAL  |
| New service Monday to Friday between the hours of 6.00am – 8.00am and between 16.30 and 18.30pm as identified by Passenger surveys and to improve employability. The service introduces new links with Glenrothes Bus Station to Glenrothes Industrial Estates at peak work start and finish times, to allow people to commute to work. |
| <b>Subsidised element: Mon – Fri (0600 – 0800 &amp; 1630 - 1830) operated by Moffat &amp; Williamson. Full route and timetable to be confirmed.</b>   |

### **18 - New Service linking Kirkcaldy Bus Station – Victoria Hospital – Cameron Hospital extending to Leven**

|   |
|---|
| PROPOSAL  |
| New service, Monday to Saturday from 7:00am until 7.00pm, to Cameron Hospital, due to the number of complaints / comments and requests from the members of the public, including concession pass holders regarding the bus company withdrawing the bus service in summer 2019. Currently passengers from Kirkcaldy must interchange at Leven Bus Station. |
| <b>Subsidised element: Mon – Sat (0900 - 1845) operated by Bay Travel. Full route and timetable to be confirmed.</b>  |

## 18 - New Service linking Dunnikier Chalet Park with Victoria Hospital and Kirkcaldy Bus Station

### PROPOSAL

New service between Dunnikier Chalet Park and Victoria Hospital, due to demand for service from public and Councillors. Following the removal of Service X53 there is no bus service currently operating via the Chalet Park.

**Subsidised element: Mon – Fri (0900 - 1430) operated by Bay Travel. Full route and timetable to be confirmed.**
